Memorial Day Observed in Millbury and Sutton

CHRONICLE photo by James LeClaire

Veterans fire a salvo in ceremonies held at the Leland Hill Cemetery in Wilkinsonville.

Bright blue skies and a gentle breeze greeted area residents as they assembled to commemorate Memorial Day. Addressing those gathered at the War Memorial on Elm Street in Millbury, Rep. Paul Kollios told the crowd, "Decorating graves, and all other observances, should, along with honoring the dead and bestowing our heart's love to their memory and their souls, symbolize a great Peace day. Memorial Day's influence on us all, and especially the young, cannot be overestimated.

"The honoring of those who died in past wars," Kollios said, "and occasionally in times of peace, should exalt in the thoughts of our children the righteousness of the acts, and the cause for which they died. Our hearts should be filled with reverence for their noble deeds, and we can observe Memorial Day without arousing hatred, irreverence and a war-like spirit in children's hearts."

June 10th Override Vote to Decide Fate of Municipal Services

By Alec G. Belisle

SUTTON - Sutton town officials, explaining those budget items that are in jeopardy should the June 10 override of Proposition 2 1/2 not be approved, are hesitant to specify what services may be cut if $615,000 is not restored to the budget. The reason for their hesitancy is a concern that residents may interpret their explanations as "scare tactics" to force the approval of the override.

Town Administrator Dexter Blois explained that town officials, working in concert, felt it was their obligation to prepare a balanced budget which included cuts in services and personnel and a supplemental budget, the funds for which would be subject to the town's approval of an override. They felt, however, that it was important for residents to understand the ramifications of a vote not to approve the override.

At the May 10th Sutton Selectmen's meeting, Blois distributed fact sheets to the Selectmen and town officials present which outlined those services and items which were most likely not to be funded if the override fails. Among those areas affected would be town services and personnel. According to Blois, many town hall offices would be reduced in hours, closed an additional day each week, and closed during vacations and staff illnesses. The Town Tax Collector's Lock Box service would also be eliminated.

A reduction in the Highway Department budget would necessitate the closing of the landfill one additional day - most likely Wednesdays. (The landfill is presently open four days: Monday, Wednesday, Friday and Saturday.)

In addition, reduction in personnel and funds for equipment and materials for the Highway Department could mean far less response for snow removal and the curtailment of road oiling work and routine road maintenance, except for emergency road repairs.

The fact sheet stated that police manpower will also have to be reduced significantly, one police cruiser would have to be removed from service, and calls would have to be prioritized.

Library hours would have to be substantially reduced. (See Public Hearing Information on Page 2.)

Old and outdated personal protective clothing for firefighters would not be replaced.

The $400,000 loss of funds for the School Department could mean the loss of some 20 positions (tenured and non-tenured teachers and employees), the elimination of or reduction of school programs, and a significant increase in class size caused by the reduction of the teaching staff.

Blois stressed that these and other money saving cuts are not the result of mismanagement or increases but are the result of a reduction in state and federal aid, the levy limits imposed by Prop. 2 1/2 which have been eroded by the increases in the Consumer Price Index, and the fact that Sutton's growth has been essentially in residential property. (According to Blois, a new resident generates approximately $1,350 while using $2,300 worth of municipal services.)

Town officials are committed to trying to maintain the level of service which the community has enjoyed and are concerned that the modest improvements in the quality of life in Sutton that have been made over the years will be lost.

Rick LaBonte, Chairman of the Board of Selectmen stated that the Selectmen, town officials, and boards are unanimous in their support of the override while devoted to keeping the cost of running the Town to a minimum. He emphasized that the final determination lies in the hands of the voters who must choose between a balanced budget and loss of services.

PUBLISHER Alexander G. Belisle
EDITOR Andree A. Belisle

No portion of The Millbury Sutton Chronicle, including advertisements, may be reproduced in whole or in part without the express written permission of the publisher. The Millbury-Sutton Chronicle accepts unsolicited manuscripts, letters, and photographs, but does not assume responsibility for their damage or loss. Return postage must be included for items to be returned.

THE DEADLINE FOR ALL SUBMISSIONS IS NOON ON SATURDAY OF THE WEEK PRIOR TO PUBLICATION.

Please Note

Back issues of the Chronicle are NOT available at the office. The Chronicle may be purchased in Millbury at Rix Dunnington Super Drug, Elm Street, Village Knoll Variety, West Main Street, and in Sutton at Sutton Square Pharmacy, Sutton Square Plaza.

Volunteer Sought for COA

The Board of Selectmen is seeking a volunteer to serve on the Millbury Council on Aging. Availability during the daytime is required. Anyone interested in serving is asked to contact the Selectmen's Office at 865-4710.

Summer Hours

MILLBURY - The Municipal Offices will be open on the following evenings during the summer season: June 13 and 27; July 11 and 25; August 8 and 22. In addition, the Board of Assessors will be open June 15 and 29, July 13 and 27, and August 10 and 24.

Public Hearing to Focus on Manchaug Library

The Board of Library Trustees will hold a public hearing on Tuesday, June 6, at 7:30 p.m. at the Manchaug Library.

The purpose of the hearing is to collect information about the general operation of the Manchaug Branch Library in order to help the trustees make some difficult decisions about how to best serve the whole Town on a very limited budget. We also expect to have a discussion of how the June 10 "Prop 2 1/2" Override election will affect the library and other town services.

The public is encouraged to attend. There are no age or residency requirements to speak.

If you are unable to attend the hearing, you may still participate by sending a statement to the trustees at the following address by June 16: Board of Library Trustees, Sutton Public Library, 4 Uxbridge Road, Sutton, MA 01590.

Likely topics at the hearing:

1. Do the types, quantity and quality of the materials provided meet the needs of the community?
2. Library hours.
3. In the event that the override fails, would the library needs of the Town be better served by consolidating at the Center Library and temporarily closing the Manchaug Branch?

Board of Trustees
Lester Aldrich
Beverly Anderson
Carl Hutchinson, Chairman

NOTICE

This is to inform the voters of the Town of Sutton that the Board of Selectmen intends to call a Special Town Meeting for June 19, 1989.

Pursuant to Section 2-7(c) of the Sutton Home Charter, the warrant of said Special Town Meeting shall contain the subject matter of all petitions which are received at its office on or before 5:00 p.m. in the afternoon of June 1, 1989.

Dexter P. Blois
Town Administrator

Calendar

SATURDAY, JUNE 3

MILLBURY - The Order of the Eastern Star, Millbury Chapter, will sponsor a rummage and bake sale from 10 a.m. to 3 p.m. at the Masonic Building, South Main Street.

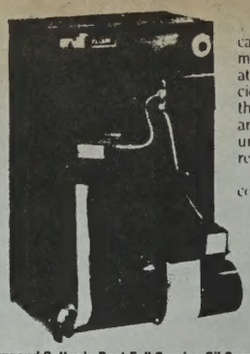
SATURDAY, JUNE 17

SUTTON - St. Anne's Church, Manchaug, will feature a Hot and Cold Buffet from 4-7 p.m.

DEADLINE

The deadline for all submissions to the *Millbury-Sutton Chronicle* is 12:00 noon on Saturday of the week prior to publication.

The oil boiler it pays to buy.



The Weil-McLain 68 high-efficiency oil boiler can pay for itself in a few short years with the money it saves by using less oil. The 68 operates at over 84% efficiency, compared to only 60% efficiency for an old, inefficient oil boiler. That means the 68 uses far less oil to produce the same amount of heat. And the 68 oil boiler will provide uniform comfort, wall to wall, floor to ceiling, regardless of outside temperature.

Call us today. Find out how comfortably you could save with Weil-McLain!

Millbury Selectmen's Meeting Digest

Selectmen Support Planning Board Request for Nicole Drive

By Edward J. Cooney

MILLBURY - Chairman Jude Cristo opened the May 23 meeting at 7 p.m. Warrants were signed, and minutes were deferred until next week to allow for review of last week's meeting.

Appointments

Moving to Old Business, Cristo asked if there would be any appointments tonight, noting that several appointments were on hold from the last meeting.

Administrative Assistant Earl Chase said that John Powers has submitted a written resignation from the Zoning Board of Appeals.

Chase then reported briefly on the criteria used to nominate individuals to the Millbury Council on Aging, as requested by Selectman Roland Lachance. According to Chase, four members of the Council were appointed to a nominating committee, who in turn submits names of interested individuals who are available during the day and who have their own transportation.

Cristo asked the members if they wished to appoint or advertise an opening that exists on the council. Lachance moved to advertise the opening for potential volunteers. Approved on a 5-0 vote.

Unforseen Expenses

Chase reported that it will cost several hundred dollars to repair a leak in one section of the boiler. He also said that it will cost approximately $700 to repair the fuel dispenser. According to Chase, the dispenser will not accept cards to dispense fuel. The money will be taken out of the gas account.

Grafton Street Development

Chase reported that residents in the Grafton Street area are developing a petition to express their concerns over a development at 98A Grafton Street. Chase said that a street opening permit was approved for water service to Roger Morin on a lot which received a variance from the Zoning Board of Appeals for lack of proper frontage. According to Chase, the lot is a good size, with most of the land to the rear. Chase said the neighbors opposed the building of a duplex in a single family area. A building permit was issued for the duplex, which is permitted by town zoning by-laws.

Cristo said there was nothing the board could do since the variance was granted by the ZBA. "It's after the fact now," he said.

Fare Increases

Chase informed the board that he was one of four individuals attending a WRTA meeting last week. He said the WRTA is planning on increasing bus fares on September 1, 1990, from 80 cents to $1.00. Senior citizen fares will be increased ten cents. It was also reported that representatives from the school department spoke against the fare increase for students.

Driveway Permits

A recommended change in driveway permit regulations, as proposed by Town Planner Dave Hulseberg, newly appointed Driveway Permit Agent, was handed to board members for their review.

Police Business

At 7:16, the board met with Chief Stokowski who supplied them with pictures of the recent accident involving a cruiser. Board members said they would like to review the accident report.

Selectman Gerry Bleau said he had observed that the pedestrian walk lights at the center of town create a problem for the elderly in crossing since they are on for such a short period of time.

Other board members told Bleau that this issue had been brought up before and that the state checked the lights and added a few more seconds. Cristo suggested it be rechecked.

Resignations

The board voted 5-0 to accept, with regret, the resignations of John Powers from the Zoning Board of Appeals and that of Rene Morin from the Millbury Housing Partnership.

Transfer Station

Chase reported that SEA, Mulholland, and members of the Transfer Study Committee were present at the Transfer Station last Friday when test samples were taken from the air and the leachate for analysis. He noted that a report is expected by the end of the week.

Cristo asked Chase if the completion date for the transfer station was the same. Chase replied that it was expected that the building would be ready and operational by the end of June and that the contract would go through August 2nd.

Cristo told Chase to stay on top of the project and said it was expected that he (Chase) would be the point man and pull everything together as the project comes to completion.

Small Cities Grant

Cristo then asked Chase if it was possible monies might be available from Small Cities Grants if a tie-in is made with economic development. Cristo was referring to obtaining a grant for development and completion of the downtown parking lot off Elm Street. He suggested that Chase talk it over with Dave Hulseberg who had made reference to the possibility in a recent conversation.

Classification Plan

Cristo said that information for the Classification Plan has been submitted to town counsel. He said that time was running out before the town meeting, and it is hoped that a final document will be in hand by the end of the week so the

SELECTMEN from Page 3

board can review it with the personnel board and the finance committee at next Tuesday's meeting.

Center School

In a discussion relating to the Center School, Lachance moved to reactivate two flood lights in the front of the building and to install two other flood lights for use in the parking area. The board approved on a 5-0 vote.

Miscellaneous

Lachance suggested that the board consider Bleau's proposal to support to retain a major shopping market in town. Approved on a 5-0 vote.

The board also voted to offer the town employees and retirees the option of the Fallon Senior Plan.

Procedures for building inspections were deferred until next week's meeting as the board opted to seek more input from the Town Planner and the Building Inspector. Cristo, noting that this would be a major policy change affecting the general populace, suggested an overview so everyone will know what is being proposed and the "left hand will know what the right hand is doing."

Engineering Services

The board voted 4-0-1 to reduce the recommended amount of $6,000 for engineering services, as required, to up to $3,000, as suggested by Selectman Donald Gauthier.

According to Chase, Paul LaRosa, engineering consultant from Bayside Engineering, recommended an addenda to allow for engineering services as may be required during the construction phase of Millbury Avenue. Board members thought otherwise as it was noted that the town has hired a Clerk of the Works to oversee the work being done during the construction phase.

Nicole Drive

Under New Business, the board followed the recommendation of the Planning Board to delay voting on the acceptance of the layout of Nicole Drive, a subdivision off Greenwood Street. It was noted that a petitioned article is also on the warrant for the Town meeting.

A letter from Chairwoman Anna Lewandowski said that her board recommends that the street not be accepted as a town way for the following reasons:

1. Granite monuments are not in place along the street.
2. Granite curbing is damaged and needs to be reset.
3. Trees have not been planted in accordance with rules and regulations.
4. Retention pond is not built as per construction plans.
5. Acceptance of street means the road is accepted as is.

Hence, the developer could not be held to correct roadway problems presently existing, i.e. curbing.

Lachance questioned the reason for not accepting, suggesting that a bond could be taken that was posted by the developer to finish the work. He said that the residents had been before the selectmen before and were taxpayers.

Town Planner Dave Hulseberg explained that the bond expires in December, 1989, and, if the developer fails to meet all the requirements, that is when the planning board could take the bond, which would avoid the use of tax money.

The board voted unanimously not to accept Nicole Drive as a town way.

Street Openings

Also under New Business, the board approved street opening permits at 156 Millbury Avenue by Commonwealth Gas. An emergency gas repair at Hamilton and Miles Street was also approved, after the fact, as the work has already been completed.

Policy Violation

Letters to the board were read by Clerk Donald Gauthier. One was a request for legal services from Fire Chief Tom Nault for an opinion to determine if the Town or the Board of Fire Engineers would be liable for damages if a fire alarm system was disconnected from the municipal fire alarm for violations of the approved false fire alarm policy.

According to the request, a local company, which was later identified by Lachance as the Felters Company on West Street, is now in violation of that policy. "They were sent a notice of violation by registered mail," the request stated. "They were given 30 days to forward the penalty fee for violations - the deadline is past due. The vendor who maintains our municipal alarm system has refused to disconnect, stating that he is concerned about liability if he disconnects their system and a fire occurs."

No action was taken on the request as Lachance said he needed answers to several questions. He suggested that Dick Dwinell, Fire Alarm Agent, be asked to give the board a case history of the system: when it was installed, how long it has been in the building, who put the system in, and why it is there.

37 Elm Street Building

A letter from Building Inspector Rene Morin to Francis and Steven Venincasa concerned a dwelling at 37 Elm Street.

According to the letter, a significant amount of time (five months) has elapsed since their building was placed under a cease and desist order.

Millbury Police Chief Spearheads Local Jimmy Fund Drive

By Andree A. Belisle

MILLBURY - For years, the diagnosis of **"CANCER,"** with all its dire implications, left the victim of this dreaded disease and his family without much hope. Today, thanks to research at institutions like the Dana Farber Cancer Institute in Boston, getting cancer is no longer a death certificate.

Dr. Sidney Farber, founder of the Institute and its primary fund-raising arm, the Jimmy Fund, was the first physician-scientist to apply chemotherapy to the treatment of cancer. His pioneering work in the use of chemicals brought him international recognition as the Father of the Modern Era of Chemotherapy.

In 1947 when the Jimmy Fund was born, cancer was uniformly fatal. Today, in part because of work supported by the Fund, there is an impressive success rate for several types of cancers: Childhood Leukemia, survival rate has gone from 5% to 50% overall and to 80% in certain forms of the disease; Wilms Tumor, the second most common form of childhood cancer, now has an 85% cure rate; Soft Tissue Sarcoma, a cancer for which there was no effective treatment before 1972 is now 80% curable with combination chemotherapy developed at the Dana-Farber Cancer Institute; Hodgkin's disease, generally fatal prior to the early 1960's, now has a 65% cure rate; and the cure rate for testicular cancers has increased from 10% to 82% today.

The Jimmy Fund was the world's first organization exclusively devoted to research in childhood cancers and the care of children with cancer. Local efforts to support the Jimmy Fund are being spearheaded by Millbury Police Chief Ron Stokowski, who, along with the Massachusetts Chiefs of Police Association, hopes to see a significant increase in the $250,000 raised last year by the Association. The Massachusetts Chiefs of Police Association, like the Boston Red Sox and the Variety Club of New England, is one of the Jimmy Fund's oldest sponsoring organizations.

Area businesses will be displaying the 1989 Jimmy Fund Canisters throughout the summer. "The Jimmy Fund is one of New England's best known and most widely supported charities," Stokowski said, "and we are confident that Millbury businesses and residents will help make this drive a great success."

Stokowski will also be participating in the third, statewide, relay run, "Police Chiefs' Run for Jimmy," to be held in September. The run will begin at the New York line and, with Chiefs of Police from all over Massachusetts participating by running relay style, will finish at the Dana Farber Cancer Institute in Boston. Stokowski has pledged to raise $5,000 for the run.

Stokowski explained that the Mass. Chiefs of Police Association has been involved with the Jimmy Fund since 1948, when members visited the Jimmy Fund Building and saw the work that was being done for children suffering from cancer. It was then decided to make the Jimmy Fund the Association's only endorsed charity, and to work to raise funds to assist the doctors, scientists and technicians in their research and treatment of cancer in children.

Dr. Farber and his associates, through work funded by the Jimmy Fund, also showed that research and treatment in pediatric cancer has led the way to more effective treatment of cancer in adults. Monoclonal antibodies, first developed at Dana-Farber, hold the potential for inducing the body to become self-treating, harnessing its own defense systems to fight off the growth and spread of cancer. Research findings supported by the Jimmy Fund at the Institute also have relevance to curing many non-cancer illnesses such as heart disease, herpes, birth defects, arthritis, and multiple sclerosis.

"I don't think there are many families whose lives have not been affected in some way by cancer," Stokowski said. "If we can work together as a community to sustain the efforts of the Dana Farber Cancer Institute through our support of the Jimmy Fund, maybe we can provide even greater hope to these families."

Anyone who would like to help make this year's drive a success should contact Chief Stokowski or Officer Donald Desorcy at 865-3521. Contributions to the Police Chiefs' Run for Jimmy can be sent to the Millbury Police Department, 127 Elm Street, Millbury, MA 01527. Make all checks payable to the Jimmy Fund.

Senior Awards Night

UPTON - Blackstone Valley Regional Vocational Technical High School held its Annual Senior Awards Night on Tuesday, May 23. Senior class officers, President Craig Allen of Millbury, Vice President Lisa Sclar of Millbury, Secretary Angela Pavoni of Grafton, and Treasurer Gina Laramee of Millbury, opened the ceremony by leading the students and parents in a Salute to the Flag. Superintendent-Director Eugene Picard greeted the parents and students.

Grant-in Aid awards were presented by Richard Brennan on behalf of the Teachers Association. These are monetary awards to students to assist them in buying the tools of their trade. Local recipients were as follows: SUTTON - Shannon Merrill, Culinary Arts; MILLBURY - Lisa Sclar, Graphic Arts; Rebecca White, Graphic Arts.

The Culinary Arts Awards were presented by John R. LeBrun, Assistant Superintendent-Director. They consisted of a restaurant cookbook, a carving set, and a white, chef kerchief presented by John F. LeBrun, Assistant Superintendent-Director. Local recipients were: SUTTON - Shannon Merrill; MILLBURY - Jeffrey Abraham and Pamela Ward.

Presidential Merit Citations for Academic Fitness were also presented by LeBrun. These citations are awarded under guidelines set up by the Federal Office of Education and are signed by President Bush. They are awarded to students who show academic excellence. Students must maintain a B+ average, must be in the 80th percentile on the standardized achievement test, and must demonstrate extraordinary effort. Local recipients were: SUTTON - Kenneth Chouinard, Carpentry; MILLBURY - Craig Allen, Electrical; Matthew Brodeur, Information Processing; Kevin Caplette, Machine Shop; Cara Hines, Information Processing; Gina Laramee, Information Processing; Lisa Sclar, Graphic Arts.

The Commonwealth Scholars Program gave awards of $1,000 to four students, including the following: Kenneth Chouinard, Carpentry, Sutton; Lisa Sclar, Graphic Arts, Millbury.

Other awards received by local students included the following: Blackstone Valley Tribune Award (this award is given through the combined efforts of the Citizen's Scholarship Foundation of Millbury, the Millbury Business Community and local non-profit organizations), Andrew Dana, Electronics, Millbury ($150.00); the C.M. Allaire Builders Awards, Vyto Morkunas Jr., Electrical, Millbury.

Program on Comic Books

MILLBURY - On June 10, from 10 a.m. to 1 p.m., the Millbury Public Library, 128 Elm Street, will present the program "Comic Books and Comic Book Making" to students in grades four through eight.

Mark Lynch, Worcester Art Museum Instructor, will talk about the history and art of comic books. He will show examples of professionally made comics, some created by kids and others from independent comic book writers. Lynch will also discuss what makes a comic book interesting, and will cover the finer points of design. By the end of the workshop, participants will learn how comic books are created by writing and illustrating their own four panel strip.

Registration starts on June 1. To register, call 865-1181. Seating is limited. Funds for this program are provided by the Massachusetts Arts Council and administered through the Millbury Arts Council. Additional funds are provided by the Friends of the Millbury Public Library.

Shopping Plaza Planned for Millbury/Sutton Town Line

By Alex G. Belisle

MILLBURY - The May 22 meeting of the Planning Board began with Chairman Anna Lewandowski reading correspondence, including a copy of a letter from Building Inspector Rene Morin to Francis and Steven Venincasa regarding the status of their building at 37 Elm Street. According to the letter, a "significant amount of time," (five months) has elapsed since the building was placed under a cease and desist order. In the letter, Morin "suggested" that the top two stories of their building be removed and the addition restored to a "one story with garage under," as allowed under their building permit.

Driveway Regulation Officer

Lewandowski announced that Town Planner Dave Hulseberg has been appointed Driveway Regulation Officer. Hulseberg explained the regulations and changes which he had drawn up for consideration by the board. His duties will include inspecting new and improved driveways in order to determine their compliance with regulations. He submitted the changes to the board for their approval before submitting them to the Board of Selectmen.

Donovan's Ice Cream Parlor

Lewandowski read a March 26, 1986 letter from former Town Planner Alan Gordon to then Building Inspector Frank Piscitelli regarding the Canal Street property referred to as Donovan's Ice Cream Parlor. The letter stated that on March 24, 1986, the planning board accepted a site plan review subject to a list of conditions. In this case, the petitioner has had three years to complete the work. "He started some of it," Lewandowski said, "but never completed it." Hulseberg reported that the petitioner is on the agenda for a future meeting.

Gargulinski Site Plan Review

The board continued a hearing on the application of Ronald Gargulinski, 140 Providence Turnpike, for a Site Plan Review Special Permit to create office and warehouse space on property located on Rt. 146 at the Millbury/Sutton line. Gargulinski submitted revised plans which included the addition of 50 feet to the property line from a parcel of land that he owns. This addition makes the lot of the warehouse a more conforming lot.

After going over the items they had brought to Gargulinski's attention, the board closed the hearing and went through a list of 14 conditions which would have to be met. The board voted unanimously to accept the conditions and to approve the Special permit.

Virgilio Site Plan Review

The board then continued a public hearing on Jack Virgilio's application for a Site Plan Review to create a 30,000 square foot shopping plaza, principally located in Sutton at the corner of Rt. 146 and Deborah Drive with a small section to be located in Millbury. Virgilio told the board that, at present, it appears that the plaza will include a 5,000 square foot restaurant, a bank with a drive through window, a backpacking supply store, a seamstress, the good possibility of a delicatessen, a drug/convenience store and a jeweler.

Virgilio said that the Sutton Planning Board had given him final approval for the project on April 24, and that he had received a variance from the Sutton Zoning Board of Appeals for parking. "We've satisfied everything that the town of Sutton asked us," he said, "and we're asking Millbury to OK the same conditions." Virgilio then submitted a letter from the Sutton Planning Board indicating their approval of the project.

Virgilio went on to explain that he has worked with Hulseberg on the curb cut onto Rt. 146. According to Virgilio, with the approval of Hulseberg and John Hoy of the Department of Public Works, he has decided on a "slip throat" entrance which he said the DPW indicated is the preferred type of entrance. A split throat entrance is a wide entrance which has a small island separating the entrance and exit lanes. This prevents traffic entering the site from going into the exit lane, making for a safer entry and exit point.

Virgilio stated that he had originally designed the building to be 70 feet from the property line but has since cut off 15 feet of the building which now places the structure 86 feet from the property line.

Virgilio also explained that he bought the former "J.J.'s Lounge" and will be removing the building once the mall is built. The laws are such that the liquor license is attached to a structure, thus can only be transferred once the new structure is completed.

The board closed the hearing and went through a list of 15 conditions which were accepted 5-0. On a motion from Archie Moore, the Special permit was accepted 5-0.

Jessica J. Drive

The board then considered the application of Zanadu Inc. of Millbury for a Definitive Six Lot Subdivision Plan entitled Jessica J. Drive, located on the southeasterly side of Herricks Lane.

Jim Burgoyne, counsel for the applicant, explained that the subdivision is located in a split zone, 200 feet of which is located in a residential zone and the balance or buildable portion in a suburban zone. He stated that the subdivision will be serviced by a cul-de-sac of approximately 500 feet in length. In addition, a 52 foot strip of land has been reserved for access to other land owned by Zanadu which is not as yet subdivided. He added that there was additional land owned by Zanadu and that both parcels will potentially have access to this street system as well as to frontage on Herricks Lane.

"The developer in this case proposes a phased development," Burgoyne said. "This is the first; he's not clear when the second phase will be proposed for development."

The lots range in size from 15,000 square feet to as high as 18,000 square feet, and it is proposed that the subdivision will be serviced by public sewers and private well water. He stated that the subdivision, as filed, will be residential homes in the moderately priced category of the type built by Zanadu in the Herricks Lane area.

Burgoyne then addressed letters which he had recently received from the Board of Health and from the Fire Chief. He stated that the Board of Health letter appears to approve the plan subject to all state, federal and local permits with the condition that all units are to be serviced with public water and sewer utilities. He said the subdivision will be serviced by private water and speculated, though he stated he could not be sure, that the board of health misread the plans and assumed that there was going to be public water.

SELECTMEN from Page 4

The letter explained that the building permit was issued for a one story addition with a garage under. "The purpose of the additional space," the letter said, "was stated as 'additional office space and conference room' and 'garage under for storage and additional parking space, if needed.'

Morin "suggested" that the Venincasas remove the top two stories and return the building to a one story with garage under, as allowed for on their building permit.

Alleged Zoning Violations

A letter, dated May 16, from Leo Boliver of Cedar Avenue, requested an explanation for a "substantial delay" in responding to several requests that action be taken concerning alleged zoning violations at 1458 Grafton Road - L. Bourget, and 1460 Grafton Road - F. DiBaro. According to the letter, the alleged zoning violations at these locations were first reported to the town on September 6, 1988. "It does not appear that these issues represent a complex legal matter," Boliver wrote, "and therefore, I do not understand the substantial delay."

Boliver also enclosed copies of correspondence relating to the alleged violations.

In one letter, dated September 14, 1988, the Building Inspector wrote to the Board of Selectmen, saying, "The problems that exist at 1458 and 1460 Grafton Road are long standing and our files go back many years. The complaints are very repetitive.

"I would appreciate this matter being turned over to Town Council, as numerous inspections and letters from our office continue to go unheeded."

On February 24, 1989 The board of selectmen sent a letter to Boliver, informing him that "In regards to the problems at 1460 Grafton Road that you have kept us informed of, we have turned this over to Town Counsel. However, after considerable research, the attorney assigned to the case has left the firm."

The letter concluded, "We have asked to have the project re-assigned and will keep you informed."

Executive Session

At 8:45, the board voted to move to executive session at the request of Craig Coppola, Personnel Board Chairman, to discuss issues relating to collective bargaining. Cristo noted that the board had completed all its other business and would adjourn at the conclusion of executive session, which came at 9:15 p.m.

Millbury COA News

The Millbury Council on Aging received a surprise from Elroy Pride who made and donated a beautiful doll house that will be raffled off at the 4th of July celebration. Chances are $1.00 and may be purchased at the Senior Center.

SSI INFORMATION: SSI is the Federal Supplemental Security Income program for people who are 65 and older in financial need. A person must be a U.S. citizen or an alien with a Green Card. SSI is not the same as Social Security, nor is it welfare, but it comes from the Federal and State Government. Persons receiving SSI automatically receive Medicaid medical assistance and may be eligible for Food Stamps and other social services. Applications are taken at the Social Security office but can be lengthy, so assistance may be needed. The Eligibility Levels are: 65 individual $496.82, couples, $754.72 per month. For more information contact the local social security office of 1-800-234-5775.

FUTURE DAY TRIPS: July 11th, Hampton Beach; August, to be announced; September, Scallop Festival in Sandwich; October, White's. If you are interested in any of these trips, stop by the Senior Center and sign up. Trips will only be taken if enough people are interested.

BAKERS NEEDED: baked good are needed for the Council on Aging booth at Windle Field over the 4th of July. Coffee will be sold, and the Council is looking for people who can help sell the food and cover the raffle table. If you would like to volunteer your time, call the COA office and leave your name with Bea.

Scholarship Recipient

MILLBURY - Mack Lee Sullivan, son of Robert D. and Rita P. Sullivan of 84 Millbury Avenue, has been accepted and granted a scholarship as a graduate student by the Albert Einstein College of Medicine of Yeshiva University.

Sullivan graduated from the Raymond Shaw Middle School, Worcester Academy, and graduated cum laude from the University of Massachusetts at Amherst on May 28 as a major in Exercise Science with a concentration in Physiology and Metabolism.

He will begin the program leading to a Ph.D. in Cardiac Bio-physics and Physiology in August.

Registration for Sutton Towne Soccer Association

SUTTON - The Sutton Towne Soccer Association has announced its Fall 1989 soccer season registration for all boys and girls born between 1976 and 1984. Registration for the Fall season will take place at the Sutton Elementary School on Saturday, June 3, between 11 a.m. and 4 p.m. The registration fee for the Fall season for players born between 1976 and 1981 is $18 for single players, $32 for two players, and $45 for three players in the same family. PeeWee registration for players born between 1982 and 1984 is $12 each.

Soccer players born before 1982 who have never played or registered with the STSA must bring a copy of their birth certificate, which will be kept on file by the association. All new players must also provide their social security number for Massachusetts Youth Soccer Association (MYSA) registration purposes. The STSA is affiliated with and recognized by MYSA as providing a youth soccer program for Sutton youth.

The Spring season is nearing a successful close and the association is now planning for the Fall season. This Spring, over 225 Sutton youths played on the association's Sutton teams, with the number of teams increasing by 40% over last fall. They expect to see nearly as much new growth this coming fall season. Adult volunteers are needed to assist in coaching and "behind the scenes" organizational activities. Your help will make the program strong for the most important people - the players.

If you have friends or neighbors that did not play soccer with the Association during the Spring season and would like to play in the Fall, they are invited to join. The Sutton Towne Soccer Association provides an equal opportunity for all Sutton youth to play and enjoy soccer. Questions or requests for more information can be obtained from the registrar, David Strieby, at 865-6682.

Graduates Summa Cum Laude

Heather M. Needham recently graduated from American International College in Springfield with the distinction of Summa Cum Laude, where she earned a Bachelor of Science degree in psychology.

While at AIC, she was elected to Alpha Chi and Psi Chi Honor Societies. She served as a resident assistant in her dorm and as President of the Golden Key Honor Society. In November of last year she was elected to Who's Who Among American College Students.

Heather recently received a special recognition award for her work as a tutor in the school's writing center, and was also awarded the McGown trophy for outstanding contributions to the school over a four year period.

She is the daughter of David and Janet Needham of 10 Miles Street, Millbury.

Singletary Sailing Association

At the organizational meeting of the Singletary Sailing Association (SSA) held on May 23, the following slate of officers and committee chairmen were re-elected: Commodore, Tom Macaruso; Vice Commodore, Craig Whittier; Secretary, Peter Fitzpatrick; Treasurer, John Gaucher; Race Committee, Frank Kaczynski; Outing Committee, Ed Hachey; Membership, Jim Fitzpatrick; Property Upkeep, Frank Kaczynski.

Dues will remain the same as last year: Family Membership, $10.00, includes "kids" up to 21; Individual Membership, $7.00; Associate Membership, $5.00.

The association will continue to use the Handicaps as published in the 1987 Portsmouth Yardstick. Dues must be paid before a skipper can qualify for racing points. All boats which cross the starting line will be considered for point scoring purposes, which means that if 15 boats start but only 12 finish, points will be awarded on the basis of 15.

The first official race will be held on Sunday, June 4. The starting time for the first race each Sunday is 1400; a second race may be held at the discretion of the race committee chairperson for the day. Ex-Commodore Al Spear will be Chairman for the first race of the current season. Report to him at the starting line (2 orange markers about 50 feet apart) prior to 1400 to receive course instructions. You do not have to be a member of the SSA to be a race chairperson, but you do need access to a power boat and one crew. Call Frank Kaczynski (865-6613) or John Gaucher (865-2372 or 832-5807) for details. Outings, as arranged by Ed Hachey, will be held once a month to discuss race rules and problems.

Commodore Macaruso advises that the primary gaol of the SSA is to enjoy the Lake by matching your sailing skills with the capricious winds as you attempt to negotiate a monitored course. The Commodore would also like to remind everyone of the legal requirement of having approved life jackets or flotation gear aboard for each person. It is highly probable that there will be more high speed power boats on the lake this year. This means more power boat drivers who are not necessarily familiar with the Sail/Power Rules of the Road, so, by all means, "Be careful out there!" The next meeting of the SSA will be Wednesday, June 21, time 1930, at the home of Commodore Macaruso, Sue Ellen and Matthew. Think Wind!

Book Swap

MILLBURY - The Millbury Public Library and the Shaw Middle School Media Center will hold a book swap for students in grades four through eight at the Millbury Public Library, 128 Elm Street, on June 6 from 3:30 to 5:00.

Students from grades four through eight are asked to bring in books to the media center at the Shaw Middle School or to the Millbury Public Library before June 5. Students bringing in books can pick out new selections from the book swap on June 6. The number of books taken on that day will depend on the number of books donated to the book swap. Golden Books and pictures books will not be accepted. For more information, call 865-1181. This program is sponsored by the Youth Advisory Council.

Assumption PTG

MILLBURY - The Assumption School Parent-Teacher Guild will meet on Thursday, June 8. The following slate of officers will be installed: Andree West, President; Mary Sprino, Vice President; Nadine Iglowski, Secretary; Christine Brady, Treasurer. Under the direction of Gerald Wineberg, musical instrument instructor, the students will perform various selections.

June Highlights

BIRDS OF PREY, presented by Master Falconer Richard Lucius on Saturday, June 3, at 10:00 a.m. A program centering around a display of live North American raptors including the red-tailed hawk, prairie falcon, and great horned owl. Registration is necessary. Funding provided by the Friends of the Millbury Public Library.

EVERYTHING GROWS: CHILDREN'S GARDENING, presented by Worcester County Horticultural Society's Debbie Hogan on Thursday, June 8, at 3:30. Hogan will explain the fun of gardening to children of all ages. Registration is necessary. Sponsored by the Millbury Women's Club.

PUMPKIN SEED GIVEAWAY starts on Thursday, June 8. Pumpkin seeds and instructions for planting will be given to interested children on a first-come, first-serve basis. In the fall, a contest will be held and prizes awarded for pumpkins that are the largest, smallest, etc. Seeds are donated by the Millbury Women's Club in conjunction with the Co-operative Extension Service.

COMIC BOOKS AND COMIC BOOK MAKING with Mark Lynch from the Worcester Art Museum School on Saturday June 10, from 10-1. Students in grades four through eight are invited to this interesting and lively presentation by Mark Lynch, comic book author and illustrator. Participants will learn about the history and art of comic books. They will also learn how to create their own comic strip. Space is limited and registration is necessary. Funding provided by the Massachusetts Arts Lottery and administered through the Millbury Arts Council.

FATHER'S DAY PRESENT WORKSHOP, Wednesday, June 14. Make a special present to give dad on Father's Day.

CHILDREN'S ROOM DECORATE-A-THON, Tuesday, June 20 at 3:30. We need volunteers to help decorate the children's room in preparation for another summer of great children's programs.

REGISTRATION FOR SUMMER READING PROGRAM, INCLUDING PRESCHOOL STORY HOUR, starts Wednesday, June 28. With the help of the Central Mass. Regional Library System, the Millbury Public Library's Children's Department has a great line-up of summer programs. This summer, all tourists, travelers, and vacationers are invited to participate in the 1989 "Pack a Book" reading program and "get away with reading." The program is open to children ages six and up. A special Read-to-Me program is offered for preschoolers and their families. Registration will also be held for our Wednesday/Thursday summer session of preschool story hour. In person registration necessary.

Church Supper

SUTTON - St. Anne's Church, Manchaug, will feature a Hot and Cold Buffet on Saturday, June 17, from 4-7 p.m. The menu will include the following: tossed salad, macaroni and potato salad, zita with sauce, homemade baked beans, swedish meatballs, ham, turkey, stuffed cabbage, kielbasa and peppers, buns, butter, pickles, olives, Jello, cookies, coffee, tea, and punch.

Ticket prices are $4.95 for adults and $2.25 for youngsters under the age of 12. A raffle and penny sale will also be held, with proceeds going to benefit the Church Painting Fund.

We are informed that a special invitation is extended to Joe Morin. What do you say, Joe? Baked Beans sounds right up your alley - Ed.

Fried Chicken Supper

SUTTON - The First Congregational Church of Sutton will hold a Sutton Fried Chicken Supper on Saturday, June 3, with continuous servings from 5-7 p.m. This all-you-can-eat family style supper will start with a garden salad, and will continue with the chicken, rice pilaf, a vegetable, and homemade bread. The dessert will be Rhubarb Crisp a la Mode. Ticket prices are $5.00 for adults, $2.00 for pre-teens, and children under 5 will be admitted free.

"Twist and Shout"

MILLBURY - The District Nursing Society will hold the "Grand Finale" of their Capital Fund Drive Campaign to establish the Adult Day Health Care Center on Friday, June 16, at 7:30 p.m. at the Dudley Gendron Post in Sutton.

The evening will feature "Twist and Shout" music from the 50's and 60's, presented by DJ Joe Coggans. Tickets are $6.00 and are available at the District Nursing Society office at 123 Elm Street or by calling 865-3561 and asking for Yvonne.

Assumption School News

By Grace Laflash

The theme of the Eucharistic celebration for Ascension Day was "Memories." Lea Gonya's first grade did the honors: Lisa Iaccarino, First Reading; Tracy Pignalore, Responsorial Psalm; Christina Endriga, Second Reading; Siobhan Keenan, Katelyn Kilgore, Mary Ellis, Alana Gordon, Christina Endriga, Lisa Iaccarino, and Tracy Pingalore, Alleluia gestures.

Le Nguyen as Jesus, Derek Boudreau, Peter DeCaro, Matthew Pallodino, Paul Spang, Adam Iglowski, Ryan Houde, Jason L'Heureux, Michal Jurewicz, Timothy Vaillancourt, Maria Elena Stockwell, and Heidi Deeter as the Apostles, and Kimberly Gannon and Amanda Degon as angels pantomimed the Bible account of Jesus ascending into heaven. Adam Iglowski, Shannon Lucas, Siobhan Keenan, Michelle Williams, Ryan Houde, Heather Khouri, and Peter DeCaro participated in the Prayer of the Faithful.

Sister Bernadette Sweeney, Principal, explained that when Assumption School was planned, people were encouraged to buy bricks, two for a nickel. The "champion buyer" was Mr. Israel Gonya who purchased 9000 and was presented with a carafe on May 30, 1925. During the ceremony which ensued, Mr. Gonya's great grandson, John Rock, brought forth the prize for all to see. Then two representatives from each class presented a chain of memory, the links representing the bricks. These were stapled to a replica of Assumption School which was made by Donna Hughes.

Aroun' The Town & Golden Agers Update

By Lillian C. Sheehan

Thanks to the Parks Commission, the Common is dressed again in its circles of bright red geraniums surrounded by yellow marigolds which are being kept watered (these days) with the continuous showers!

When you read this, Memorial Day will have come and gone; decorating the graves, watching the parades etc. Memorial Day has been formally observed in most of the United States since 1869 to honor the war dead. The last Monday in May heralds the month of June with its hot weather and flies.

A common fly is faster, in one sense, than a jet airplane. The fly moves 300 times its body length in one second. (I guess that's why it's so hard to swat them.) The jet, at the speed of sound, travels 100 times its body length in one second.

Alaska is the only state in the Union without houseflies. They can't breed in that cold climate.

MILLBURY GOLDEN AGE CLUB: a trip has been planned to East Hill Farm in Troy, New Hampshire. The menu will be Chicken and Roast Beef served family style. Two buses will leave St. Brigid's parking lot at 10:15 a.m. on June 6. There will be no meeting on that day.

ST. BRIGID'S WOMEN'S CLUB: there are still plenty of cook books left, if one is looking for a good gift for a shower, birthday, etc. You may call 865-4876 or 865-6618.

BIRTHDAY WISHES: Happy Birthday to Ethel and Eddie Comeau of Colonial Apartments, a congenial couple, both celebrating in June. And another smiling lady will add another candle to her cake, Olivia Messier.

Birthday wishes go out to Ruth Collette, Florence Boucher, and Marie Snay, all celebrating in June at Linden Apartments.

At Centerview Apartments, Ethel Markunas, Denise Roberts, Celia Lundin, Frank (Howie) Taft, Nola Lavergne all have birthdays at the beginning of June. Also, Treasurer Ida L. Taylor and Charles Millard, who will be celebrating his 91st. Topping this is Hilma Dickie who will be 92!

Very best wishes to all of the above for many happy, healthy years to come!!

WIT AND WISDOM

~ Nothing's more easy-going than a dollar.

~ The best test of good manners is being able to put up pleasantly with bad ones.

~ Most of today's news is too true to be good.

~ There's a line on the ocean where, by crossing it, you can lose a day. There's a line on the highway where, by crossing it, you can lose more than that.

Sutton Senior News

MONDAY: all day doctor (van) appointments. Walking Club, 9:00 a.m. at the Town Hall. Crafts from 1-3.

TUESDAY: lunch at noon, video after lunch. Sutton Elders' Friends' Club Meeting: June 13, 1:45 p.m. All welcome, Town Hall, 3rd floor.

WEDNESDAY: lunch at noon. Golden Age Meeting on June 7th at 1 p.m.

THURSDAY: grocery shopping (van) for all. ORCHARD APARTMENTS: health checks, 8 a.m. to 9:30 a.m. Info./Ref.: 10-11:30 a.m. JUNE 8: Food Distribution Day, Dudley Gendron Post #414, 9 a.m. to noon.

FRIDAY: lunch at noon. Blood pressures taken at the library at 12:30 p.m. Bowling in Webster at 1:15 p.m.

NOTE: Catskills Pines, three days, beginning September 20th. Deposit due June 16th.

WEDNESDAY, JUNE 7: Rep. Richard Moore will come to the Sutton Town Hall, 3rd floor, at 11:15 a.m. to visit, talk, and answer any questions you may have.

Rates subject to change without notice. Interest rate is adjusted annually based upon the weekly average yield on U.S. Treasury Securities, adjusted to a constant maturity of one year or three years, as made available by the Federal Reserve Board, plus the applicable margin. The above rate reflects a discount of 1.125% from the regular rate which would have been in effect using the most recently published value of the index for the product plus the pre-selected margin of 2.00%. The discounted rate is available during the first year only. The Annual Percentage Rate is based upon closing on the first day of the month, on owner-occupied property, with a minimum down payment of 10%.

What's the Difference?

By Pat O'Leary & Larry Ham

HOW TO PLAY: The answers to the two clues rhyme and the beginning consonant sounds are switched. For example: What's the difference between a neckwear fastener and a metal pan for baked desserts? One is a TIE PIN and the other is a PIE TIN. Sound counts, not spelling.

1. An untamed man and a gentle howl?
A [ ] and a [ ]

2. A seaman's cravats and a clothes mender's suspirations?
A [ ] and a [ ]

3. Loaning aural organs and stopping lascivious looks?
[ ] and [ ]

4. "Milk" of magnesia and a joyful consecration?
[ ] and [ ]

ANSWERS: 1. A wild male and a mild wail. 2. A sailor's ties and a tailor's aighs. 3. Lending ears and ending leers. 4. Dairy medication and merry dedication.

PLANNING from Page 7

According to Burgoyne, the letter from Chief Nault indicated that he (Nault) had reviewed the plan, which has no provision for a public water supply. Burgoyne said that, for firefighting purposes, Nault said that he would not approve the plan or any plan that would not include a water line for fire protection. The only alternative to this objection would be the inclusion of residential sprinklers in each dwelling. Burgoyne said that there is a water supply approximately 2,000 feet from the subdivision and said it is not feasible for the developer to bring it to the subdivision.

Lewandowski then opened the meeting to members of the audience.

Erika Creamer, a resident of Herricks Lane asked, "I'd like to know if there's going to be any blasting and, if so, if there's any damage to the houses, who's going to be responsible for fixing them over?"

Bob Vigneault, of Zanadu, replied that the blasting will be done by a subcontractor, most probably Amorello & Sons, and that they have all the liability insurance necessary. He added that residents will be notified before any blasting begins.

Board member Ann Kniskern explained that a blasting permit is issued for thirty days, and noted that the contractor has to notify the proper town agencies prior to any blasting.

Kevin Doyer, also of Herricks Lane, said he thought that the issue of public water was a good one. He reported that he is involved in a lawsuit with the Miles' over his well, which he maintained is of an "iced tea color" and "not drinkable." He added that he was in the construction industry and is also concerned with the effects of blasting. "So," Doyer said, "if you could bring a supply of public water to these new houses, it would benefit these people greatly."

Lewandowski said she was concerned that the site has already been cleared and said she would like to see an environmental analysis completed.

"First of all, let me say," Burgoyne replied, "apparently there's been some concern raised. Mr. Miles indicated to me this evening that when he acquired this property, a good deal of it had already been stripped by the person from whom he purchased the property. In terms of an environmental analysis; we've given a lot of thought to the fact how little effect this modest subdivision really has environmentally." He maintained that the size of the subdivision will have little effect on the tax base, fire protection, police protection, schools, etc.

Lewandowski, responding to a question from Burgoyne, said that her concern was with the whole area. "My concern is that this is basically a phased development, and this is only phase one."

Burgoyne responded, "This is a phased development in the sense that there's other land owned that happens to abut. As you know, Zanadu owns a lot of land in the Town of Millbury and the Miles family has developed. Every subdivision with them is the next phase. It's probably true, and undoubtedly true that at some point in time other land owned by them in the neighborhood will be developed. There is no current plan to develop the remaining land. This is the development that's under consideration."

Lewandowski read from subdivision regulations which state that subdivisions of more than 20 units, or fewer than 20 units if the board requests, require an environmental analysis.

Burgoyne then submitted an environmental analysis prepared by Gerald McNeil, who he said is a registered landscape architect and a registered professional planner, prepared in conjunction with Lavallee Brothers, civil engineers and surveyors and Michael Burke, a drainage engineer, which he said would address the concerns of the board.

Another Herrick's Lane resident, Richard Leighton, brought up a concern regarding the strip of land which may become a Zanadu access road to other land they own and may develop in the future.

Burgoyne said that this plan contemplates another road which might be proposed at a later date by Zanadu or another developer. He said that, at that time, it will have to go through the notice and public hearing process.

On a motion by Terry Burke Dotson, the board voted unanimously to continue the hearing.

Warrant Articles

In other business, the board considered articles to appear on the Town Warrant.

Stanley Swenson of North Main Street appeared to explain that a large ditch, which was created during the tenure of former Highway Surveyor Frank Mazzeo, poses a danger to children. He asked that it be corrected.

Lewandowski informed him that Highway Surveyor Joe Chase has included article #33 on the town Warrant which seeks $1,000 for pipe and loam to correct the North Main Street problem. Hulseberg reported that he visited the site and testified that the situation is quite dangerous. On a motion from Ann Kniskern, the board unanimously voted to support the article at the Town Meeting.

Cheryl Montigny, presently of Church Street but soon to move to the Davis/Dolan Road area, and Merrill Dana of Bayberry Lane explained that a drainage problem exists at that intersection which becomes hazardous in the winter when run-off freezes.

Lewandowski explained that the Highway Surveyor has included an article (#37) on the town Warrant to appropriate $1,500 for materials to correct the problem.
